

# Tribal Crypto Wars

## Prize Distribution & VIP Privileges

In each world of **Tribal Crypto Wars**, a total prize of **1,000,000 USDT** will be distributed among the victorious tribe members. Each world lasts for up to **18 months** or until a single tribe achieves **total dominance** of the map.

### Prize Distribution Breakdown

| Category         |  | Description                                                  | Share |
|------------------|--|--------------------------------------------------------------|-------|
| Main Reward Pool |  | Distributed equally among the 70 surviving tribe members.    | 70%   |
| Elite Bonus      |  | Awarded to the 10 strongest warriors of the surviving tribe. | 30%   |

### VIP Privileges

Players who subscribe to the **VIP membership** gain significant strategic advantages without affecting the fairness of combat.

**Construction Queue:** increases from 2 simultaneous orders to **20**. **Resource Production:** **+10%** increase across all resource types. **Exclusive Cosmetics:** access to VIP-only emblems and banners. These privileges enhance efficiency and progression speed but do not provide direct combat superiority.

### World Duration

Each world lasts for a maximum of **18 months** or until one tribe achieves **total world dominance**. When a tribe secures global control, the season ends immediately, and rewards are distributed as described above.
